

Booking to open Småpudden Bridge

If you will be sailing through Damsgårdssundet in a vessel with a sailing height of more than 4.5 meters and sailing width of less than 20 meters, you must book an opening of Småpudden Bridge.

When notified beforehand, we can open the bridge every day at 7am, 9am, 10am, 12pm, 2pm, 4:30pm, 6pm, 7pm, 8pm, 9pm, 10pm, 11pm, 12am and 1am.

Please e-mail smapudden@bergen.kommune.no or call 55 56 61 00.

You must book an opening of the bridge at least 30 minutes before you will be sailing through it. It takes approximately 15 minutes from the bridge opens until it closes.

A green light on the bridge pier indicates that vessels can sail through the strait.

If the wind force is higher than 10 meters per second, the bridge cannot be opened. In case of emergencies, serious incidents or an operation shutdown in the Municipality of Bergen, opening of the bridge will not be prioritized.

For more information please contact the Agency for Urban Environment (Bymiljøetaten).

Telephone number: 55565690 answered between 7:45am to 3pm.

Please e-mail us.

Address: Neumanns gate 1 – Opening hours from 7:30am to 2:30pm.
